

THE GOLDEN RULES OF SAFETY

1. Personal ownership for safety

We will consistently demonstrate personal ownership and accountability for safety through our actions and behaviours.

2. Driving and vehicles

We will operate our vehicles safely and responsibly at all times and use the safety equipment provided.

3. Permit to work

We will use the permit to work system where necessary to ensure hazards and risks are understood and controlled.

4. Working at height

We will only work at height when the required safety measures to prevent falls are in place.

5. Lifting operations

We will ensure lifting operations utilising cranes or other lifting devices are carried out safely.

6. Contractor management

We will select and manage our contractors so that they meet Chemogas' safety requirements.

7. Management of change

We will only proceed with technical changes to process plants and process equipment when a management of change process addressing the safety risks has been completed.

8. Incident reporting

We will report and investigate incidents so that the causes can be identified and corrected, and learning shared.
